

FORSA DOCUMENT

This is project for lending and borrowing money according to the rate of interest. Bank will add own rate of interest and Lender will Lend the Request according to the Rate of interest of banks. Boths will be communicate with each other.and Its will be Multilingual with the English and German Language. These are the following Screen of this project:

Registration Screen: This is the Registration page these all following feilds will be there. And Bank and Lender will differentiate with the checkboxes as I have attached the screenshot.and when these two user will be login and Dashboard will be different for both users.

The screenshot shows a registration form with a blue header bar containing the title "Register (* field are mandatory)" and a close button. The form is divided into two main sections. The first section contains fields for "Name of Company", "Street", "ZIP", "City", "Owner Of Account", "Bank", "IBAN", "BIC Code", and four "Spare Section" fields. The second section contains a "Prefex" dropdown menu, "Title", "FirstName", "LastName", "Telephone Number", "Email", "USER ID", and three more "Spare Section" fields. At the bottom, there is a "Promissory Note" section with two checkboxes: "Borrower" and "Lender". A footer bar at the very bottom displays the number "60026" and the text "Enter Text Shown on Left Side".

Forgot Password Screen:

This is the forgot password screen where all users can forgot their password and gets the Email.

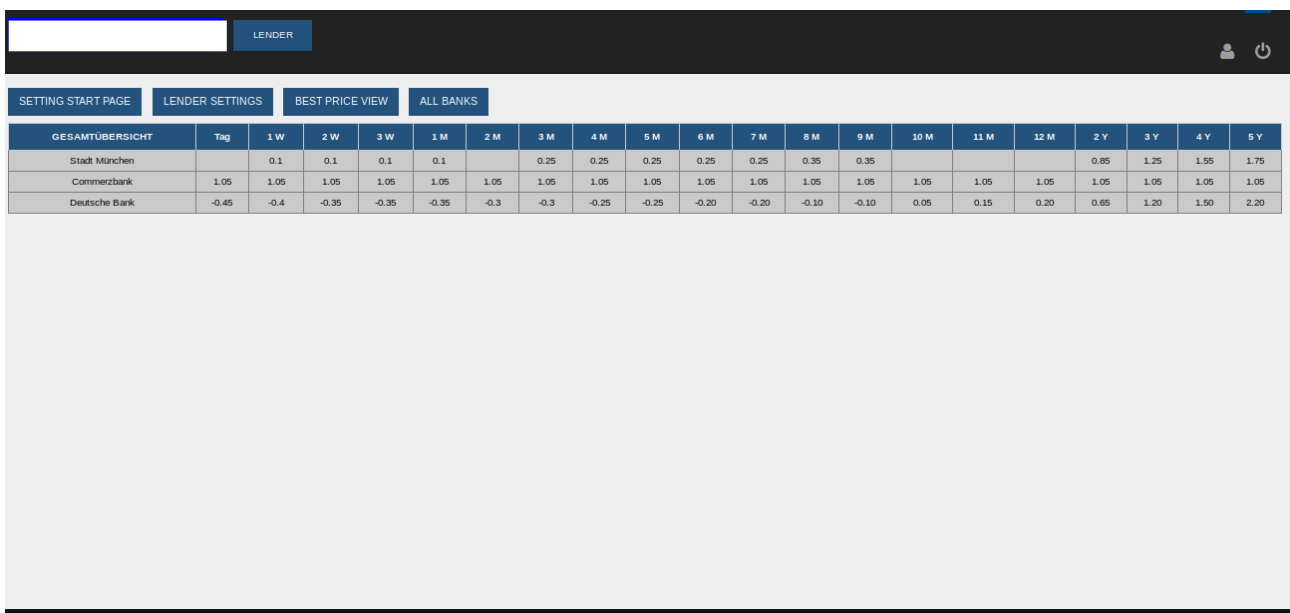

The mockup shows a dark blue background with a white rectangular area containing the form. At the top is a white input field. Below it, the text "Forgot Password" is displayed. Underneath is a white input field labeled "User Name". Below that is a white input field with the number "62640" on the left and the placeholder text "Enter Text Shown on Left Side" on the right. At the bottom of the form area is a large blue button with the text "GO". Below the button is a smaller, lighter blue button with the text "Back".

Dashboard Screen of Lender and Both Type User:

This is the dashboard screen of the Lender and Both Type Users here from the left side lender will select Time period and according to this in right side Banks will be shown and through on Lend Button lender can send request to the Bank User.

In this screen also there are Five Buttons (one will be shown after click on third button) are follows:

1. Setting Start Page
2. Lender Setting
3. View All Price
4. All Banks

The mockup shows a dashboard interface. At the top, there is a dark blue header bar with a white input field on the left, a blue button labeled "LENDER" in the center, and user icons on the right. Below the header is a navigation bar with four buttons: "SETTING START PAGE", "LENDER SETTINGS", "BEST PRICE VIEW", and "ALL BANKS". The main content area features a table with 20 columns and 4 rows. The first row is a header with labels in German and various time periods. The subsequent rows show data for "Stadt München", "Commerzbank", and "Deutsche Bank".
